

# Organization Signatory Form

## Congratulations on choosing to become a signatory of the Manitoba Food Charter!

By signing the Manitoba Food Charter you are pledging to work towards strengthening food security in our province. To become a signatory, identify actions related to food security that you can strive for at home, work, school, and in your community.

Food Matters Manitoba offers support to groups and individuals to help them develop commitments towards a just and sustainable food system. Signing the Charter provides the opportunity to become a member of the Food Matters Manitoba network. Network membership offers many benefits, including monthly e-newsletters, priority information on conferences, events and training as well as access to the province-wide food security network.
