Food Matters Manitoba In-Person Workshop Policy

updated: March 7, 2022

For those organizations interested in having Food Matters Manitoba **provide in-person workshops**, please note that to ensure our staff and contractors are kept safe we require all participants and staff to:

- Provide Proof of Vaccination to attend
- Wear a face mask at all times.

Thank you for your understanding. We understand that these expectations may be above and beyond current public health orders and thank you for your cooperation.

This policy is subject to change should the public health situation change.
